

# ONE PHOTOGRAPHER ONLY SEES HALF THE STORY TWO PHOTOGRAPHERS SEE IT ALL!

When Two become One you both deserve special attention so we provide one female photographer for the Bride and one Male photographer for the Groom to capture your wedding in a natural, photojournalistic style.

We cover the rehearsal and your wedding day without time limitations from two completely different perspectives and provide you with a DVD-movie documentary of your day, all high-resolution photos on DVD and fifty 8" x 12" photos in a traditional photo-mount album.
